

Minutes of the  
Whately Historical Commission Meeting  
April 18, 2018 at 5:00pm

Present: Alan McArdle, Donna Wiley, Darcy Tozier, Susan Baron.

The minutes for the meeting of March 18 were approved.

**Town Hall Discussion:**

The Finance Committee has endorsed the request for \$102,000 for the remaining work for the Town Hall.

We discussed the need for a Town Hall use policy, which Brian Domina has pledged to take up with the Selectboard after the town meeting.

**MACRIS Workshops:**

We agreed that we should all practice updating MACRIS entries and get more familiar with the site before conducting a workshop. Each member will look up their own house (the center cemetery for Darcy) and check for any discrepancies or updates that might be needed.

Donna has agreed to write a Scoop article in time for the May 16th deadline to announce the workshop, possibly to be held June 14th or 18th at 7pm for one hour at most.

Susan has agreed to generate labels for a mailing to owners of houses already listed on the MACRIS site. Donna will draft a letter for the mailing.

The next meeting is scheduled for May 14, 2018 at 5pm.
