---

## MASSACHUSETTS

On April 26, 2021, Whately will be 250 years old, and we are planning a celebration. A steering committee has been appointed to decide what activities will take place. It will take a number of committees to plan the individual events. Some of these events will take the better part of the next three years to plan, and we would like as many townspeople as possible to participate. Of particular interest at this stage are committees to decide what we want to do for the following major events:

**PARADE      FAMILY DAY EVENTS**  
**SOUVENIRS FOR SALE      DANCES**

If you or anyone you know is interested in working on any of these committees, please contact us at: [250th.Whately.info@gmail.com](mailto:250th.Whately.info@gmail.com)
