II. Old Business
Adult Use Marijuana Bylaw

Judy introduced a proposed an adult use recreational moratorium that the board read and discussed. Judy moved to approve a temporary adult use recreational marijuana moratorium to protect the town if the proposed Adult Use Recreational Bylaw was not approved at the Annual Town Meeting. Nicholas second the motion, and the motion passed unanimously.

Dan Denehy suggested that the board consider allowing adult use recreational marijuana retail sales sites in the Commercial Zones to be allowed to conform to existing setbacks rather than the fifty feet required in other zones. It was suggested that he bring the suggestion up for discussion during the public hearing on April 17th.
