AGENDA

- 1. Sign time sheets this time, Kit**
- 2. Any other new/old business.**
- 3. Jim and John LaSalle in at 8 o'clock concerning missing two acres *The Board examined the various deeds presented and concluded that the 2 acre parcel designated at least 25 years as "owner unknown" (map 12, par 14) ought to belong to the LaSalles. I will bring up the topic Wednesday with Lynn Sibley.* Continue discussion on this point. Land cannot just be transferred over to them. Town will probably have a title search done (which would have to be done if it were to go up for auction in any case.)**
- 4. Next meeting when? Not the 26th I presume. Jan 2nd? Jan 9th?**
