Meeting ID: 829 7391 8779

The Board is proposing to revise site plan review submission requirements to encourage digital submissions and reduce the number of paper copies; to add a definition of indoor marijuana cultivation and a clarification that permit-granting authorities have the authority to hire experts to inspect and monitor marijuana facilities during construction and operation; and to allow accessory apartments in new structures with a special permit.

The wording of the proposed changes may be found at whately.org.

This notice is also published electronically on www.recorder.com/public-notices and www.masspublicnotices.org.
