

Legal Notice
Zoning Board of Appeals
Town of Whately

Notice is hereby given that the Zoning Board of Appeals of Whately will hold a public hearing on Thursday, May 6, 2021 at 7:00 PM. The hearing will take place virtually via Zoom. The rules of decorum for a public hearing remain in effect and the Chairperson will seek comments from the public when appropriate to do so.

On April 13, 2021, the Town of Whately applied for a special permit to construct a driveway and a 12' x 24' building for a booster pump station to provide domestic and fire water services to the Town of Whately, on premises located at North Street, Map 19-0-02, Parcel 39-02-38 in the A-R/2 zone, and owned by Quonquont Farm, LLC and the Town of Whately. Access driveway makes use of existing apron and gravel road for Town cemetery. Pump Station building is located on the south west corner of Quonquont Farm property within an easement. This location for the booster pump station is optimal since it is adjacent to the Town water main and the district distribution line providing a straightforward connection and discharge to serve town residents. Application for the special permit is to be considered under the provisions of the Whately Zoning Bylaws as provided by M.G.L. c. 40A. This notice is also published electronically on www.recorder.com/Public-Notices and www.masspublicnotices.org.
