

Zoning Board Board of Appeals
Whately, Massachusetts

Notice is hereby given that on Saturday, December 1, 2018, at 10:00 a. m., the Zoning Board of Appeals of Whately will view the site of the proposed 500 kW AC large-scale ground-mounted solar facility to be built on property located e/s of North Street to the south of 68 North Street and owned by Chester Wroblewski, Jr. of South Deerfield.

The board specifically wishes to view the corners of Plan A and Plan B, two new plan sheets submitted at its meeting of November 1, 2018, which show what the project area will be if the requested variance is granted, and what it will be if the variance is denied. The corners will be marked by balloons set at a height of 8 feet.

The viewing is open to the public, but is not a continuance of the ongoing public hearing. The public hearing is scheduled to be continued on December 6, 2018, at 7:30 p.m.
