Full Description of Project: (Attach a separate sheet if necessary.)

The Commonwealth released a grant opportunity on 12/09/19 (Conservation Assistance for Small Communities Program) which would provide a maximum of $10,000 towards an Open Space Plan update. The Whately Open Space Committee has been meeting again with the goal of updating the Plan. I received a quote from FRCOG to assist with the update for $20,000. This would mean that an additional $10,000 would need to come from another source - possibly CPA?

Because of the timing of learning about the grant opportunity this project hasn't been reviewed by any boards or committees - but I wanted to submit a placeholder so the opportunity for CPA funds is not lost.

Requested Attachments:
- Property address including Whately Assessor's Map, Lot/parcel number with current owner
- Copy of deed to Current Owner, if available
- Description of the property
- Maps if relevant
- Surveys, if available
- Appraisals and Agreements, if available;
- Budget detailing construction/maintenance costs, and funding/revenue sources, if any

Each project request must be submitted to the Community Preservation Committee using the Funding Request Form as a cover sheet. Applications should be submitted with nine (9) multiple copies.

Amount of Funding Requested: $10,000
